Office of Central Reference  
Central Intelligence Agency

SUBJECT: Declassification of Report

CIA/RE ER 65-13 of May 1964 (Report No. 234), "Soviet Academic and Technical Programs for Students from the Less Developed Countries of the Free World," is presently classified Secret.

Noting that the information in this report appears to have been obtained primarily from published sources, the American Embassy at Moscow has requested that the report be declassified to permit transmission to the Chilean Ambassador to the USSR.

If the Agency does not feel that it can declassify this report, it would be appreciated if a sanitized version could be made available to the Department for the above purpose.
